Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report discloses contributions through a conduit but fails to disclose the original earmarked contributions or fails to itemize the conduit's information. Please be advised that when a committee receives an earmarked contribution(s) through an allowable conduit, each individual contribution should be itemized when the individual's total contributions to your committee aggregate over \$200 per calendar year. This itemization must include the full name, address, occupation, and employer of the individual contributor along with the date the contribution was received by the conduit. Contributions from political party committees, PACs, authorized committees, or any political committee must be itemized, regardless of the amount contributed.

In addition, the total contribution(s) received through the conduit should be itemized on Schedule A as a memo entry. The conduit's full name and address (and occupation and employer if the conduit is an individual) must also be provided, along with the date the contribution(s) was received by your committee and the total amount of earmarked contributions received from the conduit. Please amend your report to include the missing information. (11 CFR §§ 110.6(c)(2) and 104.3(a)(3))
